

Where is Gilad?

At 5:40 AM on Sunday, June 26, 2006, a group of Hamas terrorists crossed over the border from Gaza into Israel and abducted Gilad Shalit. He has been a prisoner in Gaza ever since, during which time Hamas has denied the Red Cross and other international organizations access. More than two years in captivity is too much. It's time to bring Gilad home.

On Saturday December 6th, Rabbis across Canada will be speaking about Gilad's plight and encouraging the Jewish community to take action. Please join the **Canadian Rabbinical Caucus** as it calls for Canada to speak up for Gilad on the world stage. For information on how you can get involved and send a letter to Canadian politicians, please visit www.cicweb.ca.
